

## 2017 GLOBAL CONFERENCE – BOUNDLESS

### Saturday PM - Dutch Sheets

---

It is a pleasure to be back. The last time I spoke at an Aglow conference, everybody got up and walked out on me. I think it was the one and only time I have ever been interrupted by a fire alarm. How many of you were there in 2004 when that happened? We just made it something prophetic; I do not remember what, but to the prophet, everything is prophetic. We got something out of it and ran with it. It was awesome. So if it happens tonight, one of these prophets will get a word.

I was thinking when Nonnie McVeigh was sharing, that I had not really thought about the offering before the service, and sometimes when I am on the road, I give. Sometimes I do not. The more she talked the more I thought I am going to have to give. Then Barbara Yoder leaned over to me and said, "I was not necessarily going to give again tonight, but I am going to have to give." Then she looked at me and said to the ushers, "Get him an envelope, he is going to give, too."

I was thinking about that Bible roulette thing she did, you know where she opened her Bible and got a word from God. I call it Bible roulette. It does not work for me. It works for my wife, Cece, but it does not work for me. The only time I have ever really tried it was back in the early '80s when I was part of a staff in a congregation. I was just a young assistant to somebody in Oklahoma. The church was really messed up and having a hard time and I just thought, "Lord, we need a word from You so desperately and I am going to try this – it works for Cece and I know You will do it for me because You are no respecter of persons." I grabbed one of these modern translations and closed my eyes, flipped it open, put my finger on the page and the verse that my finger was on said, *My Shepherds have become stupid*. I said, "I knew that stuff does not work for me; I cannot get a word from God that way. I am never going to do it again."

I love the hearts of all these ladies. By the way, Nonnie, I did one of these genealogy tests recently where you can figure out your genealogy, your lineage, where you come from. I have been told all my life I was mostly German, but I am actually over 50% British. I just feel like I – not to insult the Germans, but since the Brit took the offering, I am proud to be British.

Chuck and I have been on a 22-city tour. He called me a few months ago, and said, "I have heard from God for us." We used to witness to people in the '60s and '70s, and our opening line was, "Jesus loves you and has a plan for your life." I tell people now, "Jesus loves me and Chuck Pierce has a plan for my life."

My schedule was already pretty full when he called, and I am sure his was, too. He said, "God has told me that we have to go to 22 cities together." I thought, well, okay, sure, that is easy. This is number 18. We were counting this (Richmond, VA) as one of the cities that we are doing together. We are going to

finish the 22<sup>nd</sup> city in Washington DC on February 22<sup>nd</sup> of next year, because that is the 10-month point of Chuck's word that he received in May when the Lord told him there would be 10 months of turmoil and chaos basically, but at the end of those 10 months, there would be a breakthrough and a turnaround, and we would have three years of breakthrough. So we are going to meet there and that will be our 22<sup>nd</sup> city. But this is number 18 and I am doing this event a little different.

Obviously we are usually sort of a tag team in services. He will do half a message, I will do half. We both kind of pray and prophecy, but he said, "I will do the morning, you do the evening and you just have to listen to what I say and just flow with me." I said, "Whatever you say."

## A NEW MANTLING

I've felt an amazing weight of the Holy Spirit on this gathering all day. I feel like this is more than an anniversary, a 50-year celebration. This is more than that. This really is a recommissioning. This really is a new mantling. What Chuck did this morning – by the way, when he and I draped that mantle on Jane, it was for all of you, and it was significant. It was more than a token. It was a word from the Lord. I was listening, and I do try to chronicle what he says when we do these together and say, "Now Lord, what do You want me to add to that?"

This is a breakthrough portal year for Aglow.  
We received a new mantle and a recommissioning.

I am going to start with this tonight – one of the phrases that really leaped out at me this morning when Chuck was speaking was, "**This is your breakthrough portal year.**" This is your breakthrough year, but then he said it is a portal year. Then he said, "This is your breakthrough, portal year." Then he made some kind of a statement about me teaching sometimes on the seasons of God. I am not going to be able to do this in an in-depth and lengthy way as I sometimes do, but I am going to give you a brief summary teaching for maybe 10 minutes or so on this point so that I can expand on that just a little bit.

## THE SEASONS OF GOD

In the Greek New Testament, there are four words for "time", or that have to do with time. Many of you know those words. Thirty years ago, nobody had heard of *kairos*, now every Charismatic believer knows the word *kairos*. I have found four. One of them I feel is especially important for you now. By you, I mean this ministry. But I am also kind of including people who are not necessarily Aglow members because this is a word for us – the praying church. The apostolic, prophetic company that God has raised up in the earth.

## CHRONOS, A GENERAL SEASON OF TIME

The first word is *chronos*, which means a general season of time. It starts here and goes here. Could be a month in a person's life, could be a 10-year period, it could be a 40-year period. It is a general season

of time. We get the word *chronology* from it. We get the word *chronical* from it because people chronical events in time.

## **KAIROS, A STRATEGIC TIME, A WINDOW OF OPPORTUNITY**

But in every season, in every *chronos* season, you will always come to a point where it shifts into *kairos*. We know that word, *it means a strategic time*. It is not general any more. It has become something strategic. Most lexicons, in fact any good Greek dictionary in defining the word *kairos*, will always use the word *opportune* or *opportunity* because a *kairos* is a window of opportunity. It is not the general time, *chronos*, that something is done. It is the strategic time that something must be done. You may be a farmer and you may be in a *chronos* season of sowing and watering. You have the mundane. You take care of removing weeds. You make sure the insects do not destroy the crop. You make sure there is water. It is a *chronos* time, but you are going to hit that window and it is nonnegotiable – when the harvest gets ripe, you are in the *kairos*. You had better reap, because you are in a window of opportunity. You can apply that to any part of life. You can apply it to corporations, nations. You can apply it to individuals. You come to this *kairos* season which is for a limited time. When Jesus wept over Jerusalem, He said, “You missed the *kairos* of your visitation.”

## **HORAIOS, THE RIGHT TIME**

Then there is a third word that I have found. This is really what I want to amplify for us tonight. This is more the portal because *kairos* is a window; but you come to a point in a *kairos* season where it is the now time that you have to go through. It is used in Acts 3 in the story of the man that was healed at Gate Beautiful.

The Lord was taking me back to that passage a few years ago. I knew He was trying to tell me something and so I read it for days and days and days, and I finally told the Lord, “I know everything to know about that passage. Please leave me alone.” Actually, I did not tell Him that. I did not want Him to know what I was thinking.

Finally, it was just dogging me and I decided I am going to look up every word no matter if I think it is insignificant. So I came to the name of the Gate. *Beautiful*. To my surprise, I found that the word beautiful does not mean attractive. It does not mean lovely or pretty or beautiful in a physical sense. It is a word that means *beautiful in a timing sense*. It is a circumstantial beauty. It is the Greek word – ***horaios*** - from the Greek word *hora*, which means *time*.

*Horaios* literally means *the right time*. It is only rarely translated beautiful, and only when circumstances have come together, all the right events, or timing, or people, all the things that need to happen for that breakthrough, for that window of opportunity to finally be seized. When all that happens at the right time, that is *horaios* and it creates a beautiful thing. Is it not fascinating that God in His Sovereignty made sure that this gate was named *Horaios* - “right time”?

I always wondered why God, the Father, the Holy Spirit, had Jesus walk by this man who sat at this particular gate probably dozens, maybe a couple hundred times. In His Sovereignty, He not only named the gate decades before this, but He also made sure that the family, when they wanted to place this man somewhere so that he could make a living by begging, placed him at the right gate. All Jerusalem,

all of Israel knew who he was, because they all walked by him many times. They all knew him. Jesus walked by him many times, so it must have come as a bit of a surprise to Peter and John when the Holy Spirit suddenly said, “I want you to heal this man.”

My first thought would have been, “Who am I to do this when Jesus, Himself, did not do it? If Jesus did not feel led to do it, why would God want me to do it?” But, this was different and they knew, this is the *right time*.

Peter, under the leadership of the Holy Spirit grabs the man and he is instantly healed. Why did God have Jesus walk by him dozens of times? Because He was waiting for the *right time*. He knew that the early church would need a miracle of this caliber that would speak to the entire nation. Everybody knew who ‘Joe’ was, and now he was running – “No, not this guy, he has been at the Gate Beautiful for 35 years. His limbs are twisted. He has never walked.” God would have had to, in a fraction of a second from the time the hands met to the time he hit his feet, recreate bones, put ligaments in there, and straighten things. Did something have to happen to the brain so he would know how to run and walk instead of having to learn how? All of that would have to happen in a fraction of a second. ‘You cannot tell me Joe is over here running through the Temple and leaping and praising God.’ ‘Oh, yeah, it is Joe. I saw it.’

Five thousand people – we know at least five thousand because that is how many were saved. The whole city gathered because they all knew who it was, because God knew that at the *right time*, there would need to be a miracle of that caliber take place to validate their message.

## **PLEROMA, THE FULLNESS OF TIME**

Then, of course, the fourth words is *pleroma*, which means *fullness of time*. Once he (the guy healed at the Gate Beautiful) is running, that is fullness. My point and the reason I tell that story hurriedly, because as you can see it is a message, it is that **horaïos moment is the portal**.

**God takes us through the *chronos* times where He is preparing things behind the scenes.** He is watering the seed. We are tending to the seed. We have to take what He has said and tend it and make sure we do the right things with the seed. He takes us through that season and then **we hit the point of strategic timing**. We need to start thinking a little differently now. That is where this ministry (Aglow) has been.

---

The portal is when you come to that time where you have to step through by faith.

---

I can guarantee you that the leaders of this ministry have been crying out to God saying, “What is next? We know something is coming that we have to step into.” I can guarantee you, I have not asked Him, I just know it in my spirit, and now I am saying to you, **the portal is when you come to that time where you have to step through by faith**. The portal, the *horaïos*, is when you pull the man through the window.

## **NEW DOORS ARE OPENING FOR AGLOW**

There will be decisions – and by the way, that can be a moment, or that can be a month, or that can be a year – but it is an important window. It is a window *of* the window. It is a portal in the Spirit and I am going to say prophetically right now that new doors are about to open for this ministry and that which

has been accomplished by this ministry, as great as it has been, is a *first fruit*. It is a small fruit compared to what God is about to do, because what God is about to do in the earth we have not seen anything like it in history.

New doors are opening to Aglow that will bring something into the earth never before seen.

We are about to see the greatest outpouring of Holy Spirit's power and anointing – the winds, the rain, use whatever picture you want – *we are about to see the greatest outpouring of Holy Spirit in the history of planet earth*. This is going to *transform nations and as it were a moment in a day*, we are going to see Muslim nations that are called Muslim nations now, that will not be even be referred to as a Muslim nation 10 years from now.

I am going to tell you that *God has positioned this ministry spiritually*, and in some ways, practically, *geographically*. He has positioned this ministry to be one of the points of the Spirit. One of the strategic well-placed – I do not want to use the word in the carnal sense or the secular sense, but even in an organized sense – you are positioned to pull people through a window.

God has positioned Aglow spiritually and geographically to pull people groups through a window.

This is the breakthrough portal year. *You will make decisions this year that set the course for the next 10, 20, 30*. I do not know during which Conference I said the following, but I know one of the meetings national or international gatherings of Aglow, I made a statement that God is giving this ministry an opportunity that few ministries ever accomplish. That was to be a strategic, integral part of more than one move of God. Because in the '60s, when Aglow was raised up, Aglow became one of the strategic ministries, as far as I am concerned, of what God was doing in that movement.

Aglow has been given the opportunity by God to be part of more than one strategic, integral move of God.

It never lost its freshness – I do not know the history when all ministries kind of sometimes go through some times where you have to readjust, but I will say I watched pretty closely, pretty carefully, and because of the leadership of this ministry, it has always remained a new wine skin. It is probably because of the prayer and the hunger for the Word and the open hearts to listen to what God is saying to the church today, to embrace the prophetic movement, the apostolic movement, and to stay

connected with people that were voices in that. And through that, this ministry has stayed fresh and has stayed alive and I say to you, not only were you one of the key ministries in the charismatic movement of the '60s, '70s, '80s, but you will now be one of the key ministries in the Third Great Awakening that God is about to do on planet earth.

Aglow will be one of the key ministries involved in the Third Great Awakening.

## LIVE FROM GREAT EXPECTATIONS

- » Expect the Spirit of Wisdom and Revelation to begin to manifest in a fresh new way in this ministry and in the Board meetings and among the leaders of this ministry.
- » Expect prophetic dreams.
- » Expect visions.
- » Expect prophecy to come forth even in your Board meetings.
- » Set the agenda for the coming days, weeks, and months because you are in a portal right now and you are going to hear strategies that will absolutely change this planet.

That is point number one. That is an important point. This is not one message about the same subject, this is a couple or three depending on how much time we end up with. I already took longer on that one than I intended. That is an important word. *A new wine skin has nothing to do with age. It has everything to do with the heart.*

God spoke to me a couple of decades back, maybe somewhere in the late '90s. He said to me, "You are well on your way to becoming a wise old wine skin." You can have wisdom, but not have current revelation. *Old wine skin* is not a person who is unsaved, and it is not a person that does not like God anymore. *It is a person that cannot receive the new.* They have not stayed flexible enough to embrace the new and flow with it.

I started watching and I found wise, very wise, old wine skins with great wisdom from yesterday. But today's wisdom is yesterday's revelation processed over time to become wisdom. But there is revelation for today that will be tomorrow's wisdom.

I do not want to harp on this too much, but well done leadership of Aglow for remaining a fresh wine skin that can move in both wisdom and revelation.

Aglow leadership has remained a fresh wineskin that can move in both wisdom and revelation.

## SOME HISTORY WILL GO INTO THE FUTURE

The second word I feel like God has given me for us, for you, has to do with history. I have a friend who had a dream. She is a prophetic dreamer – God uses her in our lives once in a while. She is one of our personal intercessors. She had a very short dream. In the dream she was in a conference. It was across the street from an antique store. The name of the store was HISTORY. She went over to visit the store, and while she was there in the dream, the Lord said to her, “You are going to need some of the things in this store to accomplish the prayer assignments I am going to give you in your future.”

---

You are going to need some things in your history in order to accomplish the future.

---

You are going to need some things in your history in order to accomplish the future.

You cannot get stuck there, but some of it you can never leave. I am just going to say it this way – *some of the promises that God gave to the leaders and the people of this ministry 20, 30 years ago, are for now.* Some of the prophetic words that are maybe a decade or two or three old are for now. Not only must we honor those who go before us and honor the price they paid to give us that history, but there are things hidden in our history that we may think are old and antique, but God is saying, “You need that for now.”

There was a part of a meeting with Chuck in maybe October of last year, when I was frustrated because I knew there was an assignment for me. I travel the nation all of the time. It was in 77 cities last year in America. I am on a pace to pretty much match it this year because I feel like we are in a *kairos* moving to that *horaiois* when the Third Great Awakening is going to explode around the world. I feel like my part as a forerunner is to keep stirring prayer and keep people’s faith alive. I am a forerunner.

I knew there was a prayer assignment for me that I was not hearing. I did not know if I could not hear it or if God was not yet saying it, but I was speaking for Chuck at one of his conferences and I stopped my message, looked right at him, and people thought I was having fun with him. They started laughing, everybody but Chuck. He knew I was serious. I was serious. I looked at him and said, “You need to get a word from God for me.”

People did just what you are doing. Oh that is funny. Except for Chuck. He looked surprised. He ran to the platform when I finished my message and said, “I got the word when you said it.” God sent me, Jesus loves me, and Chuck Pierce has a plan for my life. He prophesied to me, “Seven days from now you must go to seven cities in America, one a day for seven days. Take a Team and go back to the cities where a covenant with God was established in this nation. Go back and you reestablish covenant with Him in those seven cities.”

Retrace, he said, the steps of covenant. He rattled off six of them; I knew what the seventh one was. I sent a text to 20 friends of mine who are leaders in ministry that I knew had enough understanding, maturity as intercessors and leaders, to be a part of a trip like that. I sent a recording of the word and I said, “I am looking for those that can drop everything, change their schedules, and do this with me for seven days starting a week from now. You have plenty of time to pray about it. Give me your answer in the morning.”

Thirteen people. We went to the 13 original colonies. I did not ask any of them to do this, just the ones who said they were to be a part of this. Thirteen, including me, went.

And then Chuck said, “By the way, after you do this, the voice of the Lord will return to this nation, I tell you, expect the Spirit of Revelation.” Listen, if you are not moving in this Spirit of Revelation, it is your own fault. God is speaking. God is speaking. This is not only a word for America, it is a word for the praying, prophetic, apostolic church.

## **IT IS TIME TO RE-DIG ANCIENT WELLS**

The key to what God wanted to do in the future was to go back and re-dig some wells. The key to what God wanted to do in the future was to go back and find what He said to this nation 200 years ago; 250 years ago; even back in the 1600s when they landed at Cape Henry and planted a cross on the beach and prophesied the destiny of America. The destiny of America is not a mystery. He prophesied it right there on that beach – the Gospel will go forth from these shores not only to this land but to all the nations of the earth. That is the destiny of America.

Sometimes you have to go back in order to go forward. Sometimes you have to reconnect in order to move ahead. Sometimes you have to say, “Where is the Lord God of Elijah, because what I need for now and tomorrow is in my yesterday.”

---

The key to what God wanted to do in the future was to go back and re-dig some wells.

---

I am going to give you four quick pictures of this and then I will see if I have time for another point.

## **DAVID AND GOLIATH**

One of the great pictures of this power of history is in the story of David and Goliath. I read that story for years and this is another time when God kept taking me there, and I did not tell Him because I did not want to hurt His feelings that there was nothing else He could show me from that passage. I just had the thought.

I knew He was trying to tell me something so I started digging. The whole mindset that David entered that battle with was based on his history. You know, David would not call Goliath by name. David never called him by name, he only referred to him as ‘the uncircumcised Philistine’. It is kind of weird, is it not? You are about to have a fight with somebody and you want to harass him and you just say, “You are uncircumcised.” That statement does not make any sense unless you know what he is saying. Circumcision was a sign of covenant. He was basically saying to Goliath, “I am in covenant with God, you are not. I am going to beat you because of what a man did a few hundred years ago and I am a part of Abraham’s lineage. Through that, I am in covenant with God and that makes you his enemy. That makes my enemies, God’s enemies. That means today I am going to win and you are going to lose. It really does not matter what happens on the battle field. The only thing that matters is what happened back there. So I am in covenant with Him and you are not.”

Then the passage is quick to tell us the location. I read right over that. I do not care if it is in the Valley of Elah in Sochoh, which is a part of Judah. Get on to the good stuff where Goliath’s head gets cut off. Then the Lord started focusing me and said, “It may not be important to you, but it sure was important to David, because David was of the Tribe of Judah.” The whole point was, just like the covenant with

Abraham, he is saying in essence, “You are going to lose and you are not going to take this land because a few generations back, God gave this land to me through my Tribe. Through Judah, this is my territory, you cannot have it, and there is nothing you can do to get it because God has already given it to me. This is my land.”

Then David said to his brother when he was being mocked and David said, “Is there not a cause?” It is a very challenging word for the translators because David may have been saying, “Is there not a cause worth dying for? Is there not something bigger than even our lives at stake here? Come on, we have got to rise up and meet this challenge and answer the call, because the cause is worth it.”

But did you know the word for cause could also be translated *history*?

David may have been asking the question, “Is there not a history? Do we not have a history with God that we can grab hold of what will give us enough faith and confidence to go face this giant? What about the promises to Abraham? What about the promises of Deuteronomy? Those who come against us one way will flee before us seven ways? What about all the past victories? Has He ever failed us? Come on, is there not a history?”

Then he started saying, “I have a history.” This is why I believe this is what David was talking about. He said, “I have some history with God that I can stand on. There is a dead bear and a dead lion over there because when I was watching Daddy’s sheep, they tried to come and steal them, but God anointed me to kill the lion and the bear. I am going out to battle with that history.”

Then the Bible says, and it is interesting, “He grabbed his staff and headed toward the battle field.” What is that all about? They carved their history on their staffs. It was their diary if you will. You can take a man and pretty much read the significant events of his life by looking at his staff. Before he went to battle, David reached over and grabbed his stick with a picture of a dead bear on it. It had a dead lion on it. It probably had one or two of the significant verses from the Psalms that God had given him. And maybe it had stories about his Daddy and maybe it had stories about Judah himself. But I know one thing, before he went to battle, *he reached over and he grabbed his history and headed to the battle field.*

When you face giants, take the unfailing promises of your past into the battle. They are the faith on which you wage war.

He went to a brook and grabbed five stones. I was shocked when I found out that the word for *brook* there means ***inheritance***. The word used there means *to receive something and be given the authority now to control or distribute it*. So it is the word for inheritance, because you receive something from someone else, and now it is in your power and your authority to control it, or distribute. It is inheritance, but it is also a word for a brook or a stream because the water flows into it, receives it, and now has the ability to channel it.

If you want to put the prophetic significance into that, *David grabbed his history in one hand, reached into his inheritance, and headed to the battle field.* If that is not enough for you, I will give you one more. The Tribe of Judah.

Judah means what? I knew you were going to say praise, but it does not mean praise. Well, it does mean praise, but only a derived meaning. The word Judah means *he who raises the hand or extends the hand*; therefore, it became the word for praise. Extend the hand.

---

David grabbed his history in one hand,  
reached into his inheritance,  
and headed to the battle field.

---

But because it means extend the hand, Judah also means *he who throws a stone*. David said, “To defeat this giant, I am just going to reach back into my lineage because I am a part of the Tribe that throws stones.” I think that is why David, probably, this is just me, became proficient with the sling.

He is out there on the hillsides, writing psalms and becoming a warrior. He thinks, “What should I be proficient in? A spear, maybe a bow? No, no, no. I am from the Tribe that throws stones.” So he started practicing. Judah! Here comes the lion, the bear [whoosh].

“I am going to defeat you, Goliath, because I am from Judah. You are standing on my land. I have promises in my past and a faithful God on my side. You are in my territory. I am going to grab my history, reach into my inheritance and I am going to kill you because I am from Judah” [whoosh, whoosh].

## **AGLOW HAS PROMISES**

That passage has been burning in me all day. I am not sure what it is really, fully saying to Aglow other than there are some promises God has given this ministry. *There are some things He has said to you yesterday that are going to defeat national, international, geographical, wicked spirits, rulers of the darkness of this world, principalities are going to be dismantled because of promises that are acted on by this ministry around the world. The greatest harvest of Women’s Aglow is not in your past, it is in your future.*

---

Aglow, your greatest days are not behind you, they are in front of you. There are Goliaths that you are going to kill.

---

Aglow, your greatest days are not behind you, they are in front of you. There are Goliaths that you are going to kill.

I am going to say it to you this way. There are world principalities, spirits ruling parts of this globe that you are going to have the honor of taking the head off of that system that has ruled parts of this earth, for not just centuries, but for millennia. When the assignment comes, you do not have to be intimidated, you do not have to worry about how small you are or how inexperienced on the battle field you are, or the mocking spirit from anybody. All you have to do is say, “I am in covenant with God and you are not, and God has promised His Son the nations of the earth as His inheritance and the earth is the Lord’s and the fullness thereof that we are going to go take it now.”

## A GIANT-KILLING ORGANIZATION

**You are a giant-killing organization.** Listen, be ready. *There is strategy coming.* There is strategy from Heaven coming. You are not late. It is not that you do not have the strategy because you have not been able to hear. You do not have the strategy because He was not ready to give it, but you are coming to the portal.

## DREAM ANOINTING COMING

I loose the dreaming anointing for this leadership. You will receive dreams from Heaven that will tell you what to do in the nations of the earth. I have never done that before in my life. I release the dreaming anointing from Heaven. Keep your pen and pad ready because you are going to wake up with strategies in the middle of the night that are going to give you the ability to take nations.

---

You will receive dreams from Heaven that will tell you what to do in the nations of the earth.

---

I am going to do one more.

## AGLOW IS A LEADING VOICE IN THE EARTH

I am going to try to do this quickly because God has been speaking a word to me over the last few weeks and I feel it so strongly for you. I have considered *this ministry to be such a leading voice in the earth* and I know it is a word for you.

There was a man in World War II, a Brit, Sir Arthur Harris. His nickname was Bomber Harris. He led Operation Millennium. He had a plan. It took him a while to convince the Allied leaders, Winston Churchill and others, that they could and should do this. He said that Hitler was spread so thin, if we enacted the right air strategy now, we would demoralize and defeat the Nazis. Some of his vision was to bomb key cities in Germany. A thousand bombers in one night. Can you imagine? Not a thousand bombs...a thousand bombers with two or three dozen whatever big bombs they carried, each. A thousand in one night to a city.

He said the Nazis entered this war under the childish delusion that they were going to bomb everyone else and nobody was going to bomb them. At Rotterdam, London, Warsaw, and half a hundred other places, they put their rather naïve theory into operation. Then he quoted scripture. He said, "They sowed the wind and now they are going to reap the whirlwind." He went on to say, "Victory, speedy and complete awaits the side which first" – I want you to hear this phrase – "which first employs air power as it should be employed." He said, "Germany entangled in the meshes of vast land campaigns cannot now disengage her air power from those places." Then he said, "She missed victory through air power by a hair's breadth in 1940."

"We, ourselves," he said, "are now at a crossroads," – and you are going to love this – "we are going to scourge the Third Reich from end to end." You cannot love the fact that it happened to the people, but this man's understanding of how to defeat these wicked rulers, Hitler. He said, "We are bombing Germany city by city in order to make it impossible for her to go on with the war. That is our objective and we shall pursue it relentlessly." In his words, "We are going to bomb the hell out of Hitler."

And his strategy worked. As much as we hate to see that sort of devastation, it probably saved the world.

God started speaking to me about *air superiority*.

I went to a meeting in Jacksonville, Florida. There is a Pastor, actually I would not even call him a pastor, an apostolic leader of a relatively small congregation because of their assignment. Their assignment is not to be huge. They are more like a Special Forces group hidden - you cannot grow a mega-church if you are going to pray three or four hours on a Sunday morning. That is sad, but that is the reality. He knows what his assignment is: it is to have that group that is willing to rise to that level of commitment. If it is 50 of us, that is fine; if it is 100 of us, that is fine, but we are not going to deviate from our assignment. It is groups like that many times, that prepare the way for the mega-churches to get to two- or three- or four-hundred to get people saved because somebody is behind the scenes in warfare activity. They know that is what they are called to do.

## **LEVIATHAN SPIRIT IN JACKSONVILLE, FL**

He discerned that there in Jacksonville was one of the headquarters of the Spirit of Leviathan that was ruling this nation. Some say Leviathan represents a high-level principality, others would say he represents the symbolic picture of Satan himself. You read about him in the Psalms and Isaiah and in the Book of Job. But right there in Jacksonville, on the river, is where the Huguenots landed in America. They set up the first ministry center. So far as we know, it is where the Gospel was preached on American soil for the first time. So far as we know, it is where the first convert was born again on American soil. It is also where the first martyr laid down his life on this soil. And that spot had been taken over by the enemy, and that well was clogged up, and he knew it. Even the river there, the bend in the river, had taken on the shape of the head of a Leviathan and the eye of that serpent, that crocodile or whatever you want to picture it as, was exactly where the Huguenots' camp was.

He said, "The Lord told us to move our services from the building we were in, and go rent a place on the river right across from that place, so that two or three times a week we could pray and decree that the stronghold where the Leviathan is, was being torn down over America, over Jacksonville." And they were faithful.

They brought me and some others in for a meeting about two months ago. Saturday night before the Sunday morning service one of the prophets there had a dream. In the dream the new aircraft carrier, USS Ford - it had just been commissioned that week or the week before. This ship is so amazing. It is three and a half football fields long. Can you imagine? There has never been anything like it, literally. It is like a floating city. It is like a floating military base. Who knows what it can do. I am sure they are not telling us everything.

But in the dream, the President sent the USS Ford up that river and it ran aground. It got stuck. The river was too shallow for the ship and it got stuck right there. And in the dream people were maligning the President saying, "Why would you do something so foolish to send this huge ship up this river? You should have known there was no way it could do it." It got stuck right there in the dream where that church was meeting and the eye of Leviathan was pictured.

And they said to the President, “Why would you do this?” In the dream he named the name of this apostle, and he said, “I sent it up the river because so and so asked me to. And it is not going to leave until he is finished with it.”

The interpretation of what the President was saying – “He asked me for air superiority, and I sent the absolute most powerful, highest level of air supremacy that exists to help him and I am not going to move it until he is finished with it.”

## **WE HAVE GAINED AIR SUPERIORITY**

Here is what the Lord said to me through all of this, through the dream and through this story in history that was related to me in that same season. I have weighed this carefully. I know I am accountable for things I say prophetically. I say this with deep conviction.

I am hearing Holy Spirit say that the praying church - the apostolic, prophetic, praying church here, and around the world, has now established air supremacy over the enemy. It is not that we did not have it theologically and positionally, but now we have it in practice.

---

The apostolic, prophetic, praying church here, and around the world, has now established air supremacy over the enemy.

---

Now we have it more than in theory, just Biblically. Now we have moved into this place of strength. We have moved into this place of authority. We have moved into this place of revelation to where Holy Spirit can now say to us, “*You have air supremacy! Now go deal with the enemy and relentlessly drop bombs from the Heavens on him until he is no longer able to resist you.*”

## **KINGLY INTERCESSION OF THE BRIDE**

I want to say to you Women’s Aglow all over the world, God has given us air supremacy and we are now no longer only going to move in the priestly aspect of intercession, we are going to marry it with the kingly aspect of intercession. We are not just priests who offer up petitions, we are not just a priesthood that worships, we are not just priests that go and ask and represent planet earth to Him, we are now moving in to the *royal* priesthood area. The Melchizedek order of kings and priests. A Kingdom of priests where we represent the King from up there, seated with Him, and we are not just going to ask as priests, *we are going to decree as kings.* (No longer praying like a widow, but a bride)

We are going to make our decrees and where we have been quoting, *You will decree a thing and it will be established*, we are going to do more than quote it now. We are going to decree a thing and we are going to watch the situation change.

- » We are going to decree that walls around nations are coming down and then we are going to watch them come down.
- » We are going to decree that evil systems controlling the minds of men and women around the world will now be dismantled by Holy Spirit, and then we are going to watch them be dismantled.

I heard Holy Spirit say 25 years ago when I did not fully understand it at the time, “You will fully shift this nation when the praying church fully shifts from priestly intercession to kingly intercession as well.”

## THE FRESH AGE OF THE MELCHIZEDEK ORDER

He prophesied through a man, Chuck Flynn, to me in 1986, and I really had no idea what Flynn was saying to me. He said, "You will be a part of the movement. You will be a part of leading the fresh age of the Melchizedek order." I said, "What is that?" when he finished prophesying. This is back in the day when you had your little phone on your shoulder and you tried to write what was being said. He started prophesying on the phone and I started writing. And that is all I remember – *the fresh age of the Melchizedek order*. I have been waiting now for almost three decades to see the church become truly the Ecclesia, the government of God on planet earth. The King of the Kingdom has a government on planet earth.

---

He has given us authority to bind,  
to loose, to legislate in the Heavens.  
We are going to take air supremacy.

---

I want to say that to you again – *the King of the Kingdom of God has a government on planet earth. And the name of that government is Ecclesia, the church, which does not need a building and does not need a service, it needs a legislative branch, a governmental branch. He has given us authority to bind, to loose, to legislate in the Heavens. We are going to take air supremacy.*

We are going to rule from there and we are going to drop spiritual bombs. I am going to predict to you that this will be one of the greatest facets of the next phase of the worldwide prayer movement.

## THE ECCLESIA IS RISING

Cindy Jacobs said, "You must go to Washington, D.C., February 22, 2018, George Washington's birthday. February 22<sup>nd</sup>." But she also knows it is my verse, Isaiah 22:22, and "You must go there in the 22<sup>nd</sup> city of this tour. You will go to Washington, D.C. and you will relaunch this Appeal to Heaven movement." Then she said, "You will relaunch on that weekend, the worldwide prayer movement." I said, "Lord, what does that look like? I know You are not just going to try to do the same thing again that You did the same way that You did in the '70s, '80s." And I actually heard Him say, "This that is coming is the next phase of this movement because it is more than prayer, ***it is the Ecclesia rising.***"

One of the key facets of what God is saying to the praying church for the next decade or so, is emphasizing this message of Ecclesia and this King-Priest Melchizedek anointing where at times we go to Him and say, "Have mercy, Father. Give us today our daily bread." But then something is going to come over us and from our seat next to the Father there sitting with Jesus, He is going to say, "Deal with that situation for Me over there. Yes, I will give you what you need, now deal with this."

We are going to practice the real Lord's Prayer – *give us, our Father, hallowed be Thy Name*. And in the next breath we are going to turn around and decree *Thy Kingdom come, thy will be done on earth as in Heaven*.

## ACCELERATION

I am going to wrap this up. I am going to do it this way – I am going to say it this way – **I do not know of another company of intercessors that I would say can model this kingly anointing where from your positions seated at the right hand of the Father with Him that you cannot begin to model air supremacy around the world.** There will never come a time when we stop approaching Him in our

priestly role, “Father God. Hallowed be Thy” ...incense rising to Him. “Hallowed be Thy Name. We need you. Give us mercy.”

There is always going to be the priestly dimension of intercession, but I am telling you right now, there is a new dimension about to be released. Some of you have petitioned for your city for two or three decades; now God is going to start saying to you, “Now **be** the Ecclesia for your city”, and He is going to start sending you to places to decree. And what used to take 10 years is going to take a month to accomplish, because the Word of the Lord is going to resound from Heaven, and you are going to decree something, and it is going to be established.

---

The Word of the Lord is going to resound from Heaven, and you are going to decree something, and it is going to be established.

---

## **WE ARE HIS VISUAL AID IN THE EARTH**

I am saying to you, ladies, I am saying to Women’s Aglow here and around the world, go ahead and model something for us. Go ahead and be the Screaming Eagles of this generation. Go ahead and be those that save the world from the tyranny of the evil spirits that are trying desperately to stop us and stop this harvest. But they are not going to stop us and they are not going to stop this harvest, and they are not going to continue to blind entire regions of the earth. We are going to bomb them with spiritual weapons relentlessly until we win.

## **COMMISSIONED FOR THE NEXT 50 YEARS**

I want everybody to stand. I am going to pray a prayer of commissioning, but I just feel like, I do not want to get presumptuous here, but I just can hardly believe I am the only one supposed to do this. I feel like maybe there is a prophetic word – something stirring in you. **I feel like this weekend is a recommissioning of this ministry. It is a re mantling. It is a next phase launch and I feel that I am to pray a commissioning prayer.**

Dan, I really feel like you are supposed to help me decree this. Would you come up? Barbara, I just feel like you are supposed to prophesy into this and maybe some of these other prophets up here. If there is anybody that you feel like should come up and pray this commissioning prayer, do this, help us, by all means, I am trusting you.

I do not want to be presumptuous. I am not the apostle of Women’s Aglow. I am not doing something from that position. I am doing something because God has birthed a message in me that I am trying to release. I am trusting that the Lord is going to release a new commissioning from this place. Are you getting my heart? I am not putting myself in any role of being the sending apostle for Women’s Aglow.

Let us raise our hands. Go ahead and I release you guys to play whatever. Come on, let us just focus this way and say, “Lord, come on, we need You to talk to us now prophetically. Lord, we just stand before You now and we say, Lord, we have stepped into this portal.” I felt it all day. It is like Your Voice is so loud it is a distraction. It is not business as usual. I just cannot do other things, it is too loud. Lord, You said *believe the prophets*. I believed the man the day that he said this is a breakthrough portal year.

And I say for this ministry,

- » This is a portal season of *horaios* for you. A beautiful, beautiful, beautiful season.
- » You are going to reach down and grab entire tribes and people groups around the world and you are going to pull them through the right-time window. The gate is open to you.
- » Strategy is coming through this portal.
- » Dreams and visions are coming.
- » You are going to have the Word of the Lord clearly.
- » You are going to tap into your history, but you are also going to move into your tomorrow.
- » You are going to grab the covenant of the past; you are going to grab the promises and you are going to keep the foundation strong and you are going to use that to fight in the future. God is going to give back to you the words, the prophecies, and the dreams of those before you.
- » Somebody is going to find those prophetic words and promises, some scribe, some scholar, and you are going to war with that, and Goliaths are going to fall because of you.
- » You are going to model the Ecclesia.
- » You are going to model what it means to be one who moves in kingly intercession, where you not only petition upward, you decree downward. You not only ask the Father to do it, you command for the Father and the Son that it be done.
- » You are going to bind and loose and use keys that He will give you for this season.
- » You are authorized to release Kingdom dominion in the earth.
- » Signs and wonders will be a part of this movement.
- » The dead will be raised before the eyes of kings and leaders.
- » Imams will bow the knee because of signs and wonders.
- » Dreams and visions will be a regular part and you will move into the new and we commission you to do it in the name of Jesus.

## DAN HAMMER

We have commissioned Jane out of our local church apostolically and I believe tonight as we stand here in the 50<sup>th</sup> celebration, we are going to commission her just like Jesus said in John 20, “As the Father sent Me, so I am sending you.” It was in Antioch when they were gathered together in Acts 13 and they ministered unto the Lord and as they worshipped Him that He spoke. I believe there is going to be a release on the forefront of the apostolic, prophetic movement. **You are going to begin to bring models of how to destroy strongholds.**

It says in Revelation 13, that the dragon empowered the beast. It only empowered him, enthroned him and it gave him authority. **There is going to be a release of an apostolic anointing like there was on Saul and Barnabas when they were commissioned.** Paul is only called an apostle in Acts 13 as he is commissioned by the church. We are commissioning, sending Jane out, as a whole group.

- » You are going to dethrone principalities that have been enthroned in cultures and nations.
- » You are going to dethrone what the enemy has enthroned.
- » You are also going to break the power of the power the enemy is given.
- » You are also going to see a *new authority* released through this commissioning.

Sometimes people get angry at God. It is not God that is working, it is the enemy that is working, and we are going to take authority over him. We have been **commissioned just as the Father sent Jesus, He is sending Jane. He is sending Aglow tonight. There is a release of an apostolic authority.** There is going to be a release of Aglow helping.

### **JANE IS AGLOW'S APOSTOLIC LEADER**

Barbara, there is an anointing on you to do this. **We are going to see the apostolic model of Antioch, Acts 13 released all over the world.** There has been a building that has been built. The builders rejected the stone. The scribes, the lawyers, the Pharisees, they built a building but it was not built on the firm foundation of Jesus Christ. It was not built upon the foundations of the apostles and prophets. God is restoring the church that Jesus died for. We are commissioning Jane tonight, and you are commissioned through her prayer. **We are commissioning her to commission you because she is your apostolic leader.**

Father, tonight in the Mighty Name of Jesus, **we commission Jane Hansen Hoyt apostolically in this new season.** Even as You commissioned Your disciples that were stuck in a place. They were in a place where that moment or that *kairos* moment and that other moment came of opportunity, Lord.

Lord, You surprised them. You came in and said, "As the Father sent Me, so send I you." **And we send Jane, and we send Aglow apostolically into the nations, Lord.**

- » Give them the nations for their inheritance. I am asking for every nation on earth to open up.
- » And we commission her with authority.
- » Lord, we commission her with peace. Lord, you commissioned them not only with authority, but peace. The God of Peace is going to crush the head of Satan surely under your feet.
- » He is releasing an apostolic authority over your life, over the nations, over every national leader, over every National Board with **a new authority to bring Heaven to earth.**
- » Lord, as the Father sent Your Son, Jesus, we send Jane Hansen Hoyt under Your authority **to dethrone the evil one.** To release power over the power of the evil one and to release a new authority.

Lord, You spoke in Luke 13. Lord, when they rejected the stone that the builders rejected, and Jesus, You Yourself said, "I now speak by the wisdom of God, I will send them apostles and prophets." And Lord,

- » You will release a new apostolic, prophetic authority that will walk in humility,
- » that will walk in true servant leadership,
- » that will dethrone and destroy the evil one all over the earth through the Aglow ministry in Jesus' name.

And all those in agreement, I want you to just release a roar to Heaven. We release a roar to Heaven!  
New authority, apostolically. We commission you to go forth as the Father is sending His Son, Jesus.  
We send you forth in the Mighty Name of Jesus.

## **BARBARA YODER**

I have been asking for two years what it was about Isaiah that when he saw the Lord he said, "I am a man of unclean lips." The Lord would say that it was that he was not ministering from a kingly intercessory standpoint. And tonight the Lord would say that:

- » I am dropping the mantle for kingly intercession on you and on Aglow.
- » I am even going to shift the minds of every leader in Aglow **for you are not called to have cute little meetings.** It is not for you.
- » You are called to save the cities and the nations of the earth through kingly intercession.

And I would say unto you:

- » **That even in the next 30 to 60 days, that you are to get out the map of the nation and the nations at Headquarters and the Lord will literally light on fire specific cities and nations.**
- » And you will begin to set a schedule of targeting cities and nations and you will watch the enemy fall.
- » **Even tonight I do put a new scepter of royal kingly authority in your hand.**
- » And I am breaking off the neutering (sterilization, vasectomy, hysterectomy, castration – that spirit that has kept you from giving birth) spirit.
- » I am breaking off the deceiving spirit that has seen another vision.
- » I have called you to bring down the powers and the principality of the nation and the nations.
- » This night, this night, I do drop on you and mantle you with glory, with glory, with great glory that shall withstand the powers and
- » It shall blind the powers and principalities and
- » It shall shift the minds of people.

Before I got up to speak the other night, I literally, I have not had a panic attack in a long time, but I was panicked about speaking and the reason is because everything you said tonight plus so much, it was all going through my mind. I said, *how do I get a hold of it? What am I supposed to say? What is somebody supposed to say?* And I am not saying that to say I did not get it because you were supposed to deliver it, but I heard it in my spirit. It was so much and it was so big and I did not want to release anything until I knew that I knew that I knew that it was God.

- » I declare to you that we are in a new movement that is Holy. In the last season it was literally defiled in some ways because of the minds of man.
- » But the Lord said, I am lifting you up into the spiritual dimension where the carnal mind will not war with the spiritual mind.

- » Tonight I am giving you the ability to see through every smoke screen, through every deception, through everything that would cause your vision to be dimmed.
- » The Lord said, *this will not be hard, for My yoke is easy and My burden is light.*
- » **For you have been being prepared all of your life for such a time as this. It is natural to you because you have been honed and fashioned and shaped, and formed in the pain, and in the moves, and in the Word and in the worship.**

**To the national leaders I would say to you,** that none of you were there because of your greatness. God is not impressed with you; that is not why you are there.

That even tonight that

- » you are meeting with a Holy God who has said, *I am not looking for cutesy leaders, but I am looking for leaders that have My heart, that have My mind, that have My vision, that are literally broken by Me.*
- » He is calling you up to the highest place where literally your words become His words, or His words become your words.
- » For I am putting a fire in your mouth that shall go before you and shall destroy your enemies.

To every national leader He is saying this is Yom Kippur. This is the day of reckoning, the day of literally saying, *where have I missed it?*

- » This is the day where you empty the stones from your pocket.
- » This is the day where you let loose of where you have fallen short or missed the mark.
- » He is calling you to a high place.
- » You will not be able to administer your office outside of your prayer room until you have met with Him in your prayer room and heard from Him.
- » For this is a new day and God is birthing a whole new movement with Holy leaders.

Holy. Holy. Holy. Holy. Holy. Holy. Holy. Holy.

## **JANE HANSEN HOYT**

I am just going to say whatever is coming to me – nothing is planned. This is a time to break off false timidity. Timidity that has caused, I am speaking of myself, caused me at times to keep my mouth shut. It is a time to move in courage and boldness. There is a knowing of God and a knowing of His Voice. We hear by the Spirit. We do hear by the Spirit. And though we have spoken by the Spirit in places that He has caused us to speak into, to tear down, to build up, - what has been spoken these days, last night with Barbara, this morning with Chuck, and now with Dutch, I forget what term Dutch just said, but this is really big. As Graham would say, *this is about walking with Big Jesus.* There is no fear because He has brought us not only to a place of trust, but that trust has developed into a faith that faces whatever comes before us.

We know the Genesis scripture. We know the promise of God, the prophetic word of God to the enemy, that she will expose you again, and again, and again, and again. She will crush your head; your head

has been crushed. You have been defeated. She will walk forth in the earth with that authority, that strength, that knowing.

So, I commission you. **I commission the whole of Aglow to arise, to arise in this transitioning time.** We have stepped into a new place. We took a step last night, and we heard words today, and these words tonight are – I do not know how to say it. They are not just life-altering, it is big. It is really big. It is game changing. Thank you. Hopefully that kingly anointing will grow and we will have bigger words.

We say yes, King Jesus. Come on, let us hear the roar. Yes. Yes. Yes.

## **IDENTITY STATEMENTS**

- » This is a group that knows how to deal with the situation in North Korea.
- » This is a group that can speak into Venezuela, speak into that economy and call forth the Kingdom of God. It can remove leadership that is opposing the purposes of God and bring forth exactly what God wants in this hour.
- » This is a ministry that can speak into the refugee problems or situations in Germany, in Sweden, and other European countries. The abuses, the rapes, the abuse against women because there is no honoring or respect for women. Women, rise up against that spirit.
- » This is a group that has eyes to see in the spirit realm and know in the spirit realm about terrorists cell groups in this nation. It is time to root them out. Root them out. Root them out.

What we have heard from the prophets is right. This is a Holy moment for Aglow. This weekend has been a Holy time. This being Yom Kippur - to have heard on Yom Kippur Eve the word of the Lord through Barbara. The word of the Lord through Chuck, and then Dutch tonight. I am really overcome. It is not just a personal thing. I am overcome with what God is speaking to us. Are you not?

We often have said amongst ourselves, Aglow seems to be a hidden work. That day has changed. And it is not that you are out there pushing yourself or bugging your pastor. It is not that kind of stuff. This is something the Holy Spirit has done and we are going to see unfold. There are going to be doors opened. There are going to be rivers open to us. There are going to be gates open. Things are going to explode in our midst. All we have to do is walk into what He is calling forth. Oh my goodness!

Tonight, just as we close, I want to lift up Lou Engle. There is a march, it is a women's march, I think it is the 7<sup>th</sup> through the 8<sup>th</sup>, just lift your hands. We call for an anointed walk and an anointed stand in Washington, D.C. (I believe it is off the Mall), that will cause that city to shake with the Presence of God. The march that took place there several months ago, that was surely opposing Your purposes and plans, I pray that this march establishes Your Presence in a way that will forever shift and change Washington, D.C.

I pray an opening of the eyes of President Trump, of General Mattis, of Secretary of State, Tillerson, of those who surround the President. I call forth a move of the Spirit among key leaders in D.C., particularly military leaders. Nothing will be done outside of the timing of God, but there will be boldness to move in the timing of God.

There is something really big ahead. I am into the word “big” tonight, but there is something really big ahead. Be prepared. Be prepared. No fear – we are prepared. And we are the ones, just as God positioned David, we are the ones positioned in this hour to stand for God, and with God, for how He would counter what the enemy wants to do.

I am going to close by saying, “This is really big.”
