

2018 LEADER'S SUMMIT

Graham Cooke

20 KEYS TO BECOMING AN HEIR OF GOD

Use these keys as talking points when sharing Graham's message or as a handout when teaching from this message.

- 🔑 **Key 1:** What God is talking us *out of* is incredible. What God is talking us *in to* is utterly astonishing.
- 🔑 **Key 2:** In *GameChangers*, He was talking us out of an earth — bound spirituality into a Kingdom anointing where God is limitless towards us. In *GameChangers*, He is talking us out of an earth — bound spirituality.
- 🔑 **Key 3:** What will set us apart in these years to come is that we are not bound by anything that is occurring in the world because we have been set free to live before God in the Person of Jesus who has never been defeated. That is not propaganda. That is the Truth that sets us free.
- 🔑 **Key 4:** There is always a higher level of Truth than just facts.
- 🔑 **Key 5:** Consider that God is talking us out of being a needs based people into a people who live as sons of God who receive a new identity as joint heirs of Christ.
- 🔑 **Key 6:** There will be miracles.
- 🔑 **Key 7:** We are upgrading from being the children of God to being the sons of God. New provision is coming.
- 🔑 **Key 8:** We will lead the world into a whole new place – it is visual aid time!
- 🔑 **Key 9:** The elements of this world have no hold on us.
- 🔑 **Key 10:** We do not take our cues from the world around us. We take our cues from the Kingdom within us.
- 🔑 **Key 11:** There are miracles that will come to you by being a joint heir that will never come to you by getting your needs met. It is a whole different territory. We have been on this journey long enough.
- 🔑 **Key 12:** We are the adopted sons of God.

- 🔑 **Key 13:** We have to formally accept the reality of being a son and an heir in God.
- 🔑 **Key 14:** Inheritance is a higher place of promise and privilege. It is greater than provision. It is a place of legacy. It is a divine advantage. It is preference and promotion. It is high regard. It is an elevated position. And from this time, if we accept adoption as sons of Glory then God is going to deal with us as sons of promise. He is not going to listen to you begging anymore. He is not going to listen to you with prayers that are tinged with fear and worry and anxiety. He is going to still (steal) your heart. He is going to talk to you as sons. He is going to say, “Don’t do that. Don’t pray like that. Don’t pray like a widow. Pray like a Bride.”
- 🔑 **Key 15:** We can no longer be harassed by fear, anxiety, stress. We must come to the place of encounter with the Spirit of adoption. No more petitioning God. We are heirs and sons of who God is — we need a different confession from that place — a new declaration that we can speak to our circumstances, new proclamations in prayer.
- 🔑 **Key 16: Joint heirs learn how to make money work for them.** They learn how to invest for increase. They learn how to dream and think and plan and act at a higher level. They learn how to have a mindset on things above, not on things in the world. They are not in bondage to the elements of the world. They have a language of privilege. And along with that language, you have this astonishing place of humility, so you don’t become stupid and arrogant. And you do look around you and God isn’t blessing you, so you can have a 2nd or a 3rd car. He is blessing you so that people on your street and in your neighborhood can come up higher. He gets to showcase the Kingdom through us.
- 🔑 **Key 17:** He is talking us out of being children into being sons and heirs of God. We know what it is to be children of promise, but time is getting short and He needs more sons and heirs. He needs more sons of Glory.
- 🔑 **Key 18:** We must acknowledge that we want to be trained in adoption.
- 🔑 **Key 19:** In this dialogue, we have to change our lens. We have to unlearn from the old responses, and we have to come to a higher acknowledgement of what our status and our privilege is going to be from now on.
- 🔑 **Key 20:** Transformation comes with evidence.
